"Forget everything you have so far considered to be typical of muscle cars and allow the BDR Roadster to enter your world. The Backdraft Roadster has been extensively developed and refined over many years as a proven, high-technology, superior quality sports car. It provides the ultimate in authentic replication, quality finishing, advanced ergonomics and passenger comfort in a roomy interior. It offers lightning quick performance, sure-footed handling, compliant ride comfort and excellent braking ability in a well rounded package that is unrivalled for quality and value."

NOTICE - WE REGRET TO INFORM YOU THAT ROSSION IS NO LONGER AT **Hamptons**.

With reference to our advertising campaign in the preceding months for Rossion cars introduction in Southern Africa, we regret to inform you that it is no longer logistically viable due to the relocation of the manufacturing plant from HI TECH AUTOMOTIVE in Port Elizabeth South Africa to Oregon in the United States.

We sincerely apologise for any inconveniences.

Sincerely, Gavin Green (Director)
